ClassKonnnect - Preloaded Assessment Centre

Create and Distribute Assessment

- Preloaded with Question bank of more than 50000 questions
- Teachers can extract questions, create tests and assign to students
- Teachers can see the results of students instantly
- Helps in **Rapid Assessment Cycle, Automated corrections** and **Rich Analytics**

With ClassKonnnect, a teacher can easily store each student's reports in his/her tab for future reference and determine a plan of action for his/her weaker areas.

Report and Evaluation

- Summary Report
- Student Report
- Detailed Activity Report
- Historical Report
- Performance Comparison Report

Reports are so thorough and comprehensive that teacher can easily track his students' progress and determine weak areas of each student.
