# WHY CLASSPAD KIDDIES

**EDUCATION VALUE** - Classpad Kiddies helps children become self-motivated, confident and independent learners with strong academic skills. Covering fundamentals in math, science, english for age group 3-8 yrs with huge question bank to develop your child's mastery of key and core skills required for academic success.

**ASSESS** - Classpad Kiddies gives immediate feedback on kid's time spent in learning and his proficiency levels and recommends the areas of improvement.

**PLAY** - A wide range of entertaining apps and games, providing a productive and educating engagement for kids, without making him realize about learning.
