

TIRED OF WAITING FOR STUDENT TEST RESULTS?

Looking for a smarter way to conduct objective assessments?

THE TEACHER'S DILEMMA

Can I take an
objective test today...
and get individual
student results in
Excel?

Can I conduct quick
assessments in my
preferred language?

???

THE SOLUTION IS HERE – SAY HELLO TO SRS!

Yes! With Classteacher's
Student Response
System, you can:

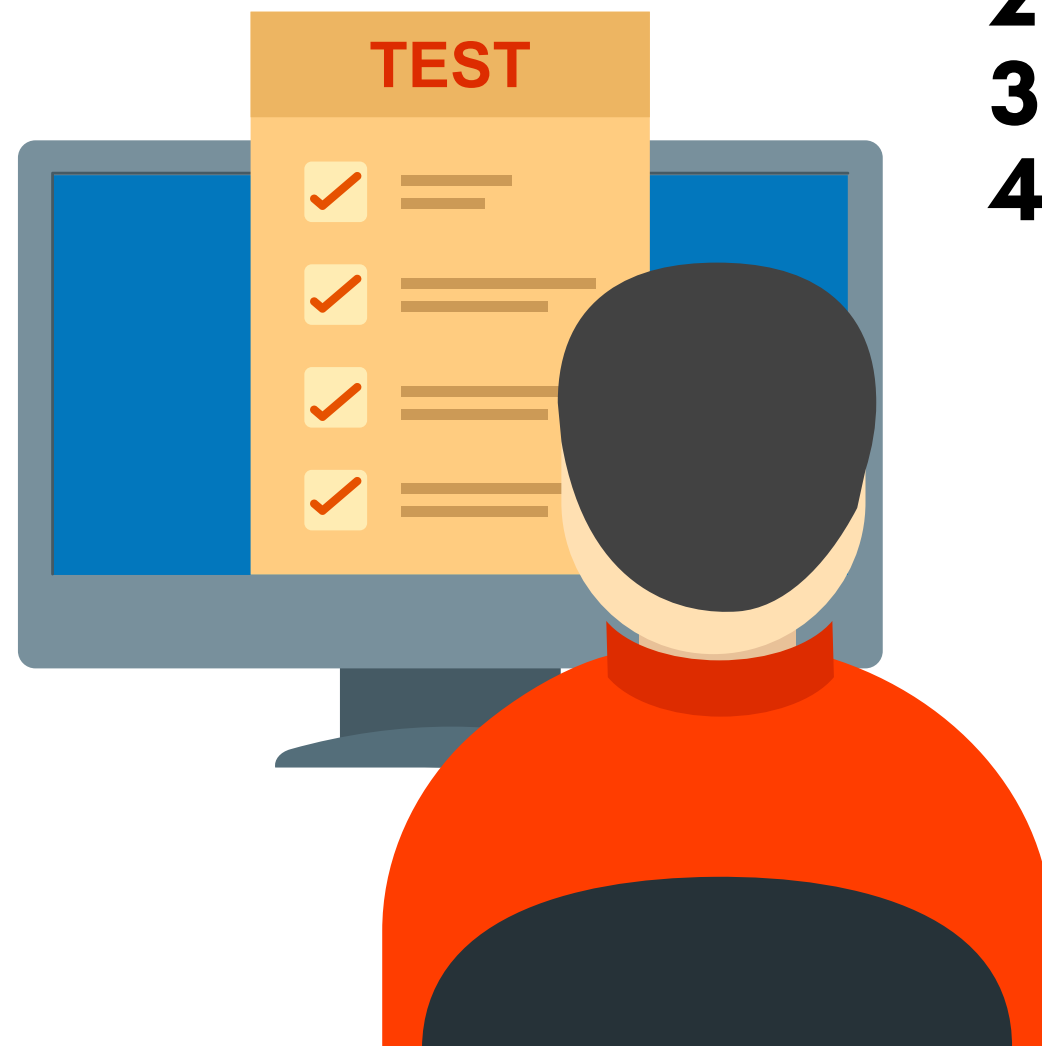

- 1** Take subject-specific tests from your existing 2Xcell question bank
- 2** Instantly record random or roll-call attendance
- 3** Create quizzes as per your syllabus
- 4** Choose your preferred language: English OR Hindi
- 5** Engage every student with click-based answering

INSTANT RESULTS — NO MORE WAITING!

TEST OVER? GREAT — THE DATA IS ALREADY ON YOUR LAPTOP

- 1 Results stored automatically
- 2 View performance question-wise or student-wise
- 3 Export to Excel in seconds
- 4 Ready for feedback, analysis, and review

YOUR ASSESSMENT TOOLKIT INCLUDES
